CUSTOM ACCORDION DOORS

CUSTOM SIZES OUR SPECIALTY

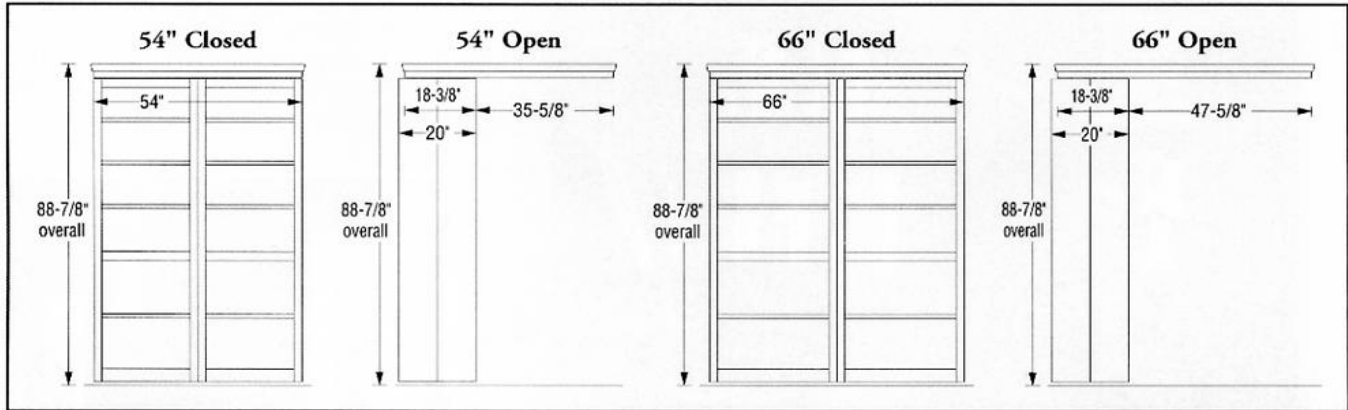

HOW TO ORDER

- 1) **WIDTH:** Finished wall to wall (or jamb) in feet and inches.
- 2) **HEIGHT:** Finished ceiling to finished floor or top of carpet in feet and inches (add 3/4" for recessed track)
- 3) **SERIES:** List numbers of the series to be ordered.
- 4) **PANEL:** List wood specie or vinyl-lam color.
- 5) **OPTIONS:** List options if required.
 - All pricing in the current Woodfold catalog carries the base discount.
 - All freight charges are included in the price.
 - Most special options are available only on the 240 Series and higher.
 - Please contact our office if you need assistance on special quotes. Always call for lead times!

Bookcase Door System

WOODFOLD

- Available in two widths, 54" or 66".
- Constructed entirely from durable 3/4" ApplePly™ that supports loads up to 500 lbs.
- Available in hardwood veneers (Oak, Cherry and Maple) and environmentally safe clear and customized stain and paint finishes or unfinished.
- Fixed shelves at the center and bottom with four adjustable shelves.
- Superior strength from a piano hinge that runs the entire length of the bookcase.
- Heavy-duty steel roller system with anti-binding block for incredible longevity and smooth operation.
- Steel upper wall guide with multi-position pre-drilled mounting holes.
- Exclusive hardware, adjustable for either left or right, two-position pivot.
- Ease-of-entry with strong, low profile, steel threshold.
- Valance matched to your chosen bookcase finish.
