16"x42"(exact)	NA	115.20	—	—

FINISHING

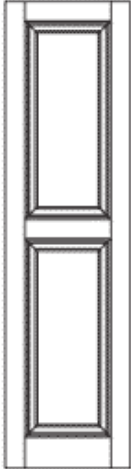

Blinds must be completely sealed on all surfaces before installation. Balanced paint coverage front and back is essential for protection against the elements. We recommend a minimum of two coats of quality grade exterior paint.

INSTALLATION

Blinds are constructed for decorative applications only. Blinds 55" in length and shorter require a minimum of three fasteners per stile or six per blind. Fasteners may be nails, screws or screws with anchors. Blinds 59" in length thru 81" require four fastening points per stile or eight per blind.
